NORTH AYRSHIRE
COUNCIL

Mr Hugh Wilson

Dear Mr Wilson

Landscape Maintenance Fees – Montgomerie Park

Thank you for your letter of 11th January. I have had the opportunity of discussing this matter with Council Officers.

I have been advised that we did indeed anticipate having a meeting with you and other residents and the local councillors, but due to holiday arrangements etc last year this proved impossible to achieve.

Unfortunately with the passage of time we are now faced with the position where the growing season is about to start and landscape maintenance works will be urgently required. In the circumstances it is necessary to ask the residents to pay the charges due now so that these works can be paid for, and I hope you will agree that this is a reasonable approach.

I understand that a number of residents have written to the local members asking for a further meeting with the elected members and with Council staff. The Council's Legal Services Manager, Mr Boyle has discussed this proposed meeting with two of the elected members, Councillors Kirkwood and Sturgeon and I have asked Mr Boyle to write to you directly on this aspect of the matter.

Yours sincerely
